# MIR RORS

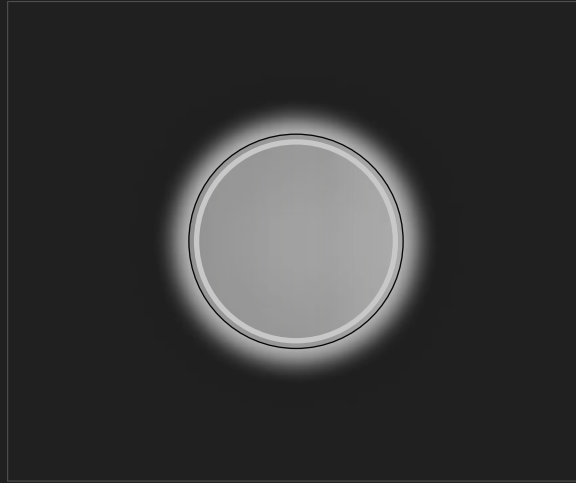

## STRATO ROUND

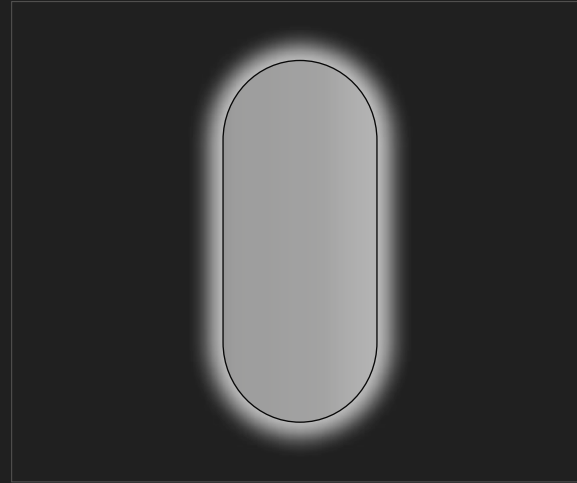

STRATO ROUND — EN: Mirror with back frame in matt white and visible opal diffuser. Perimeter wall LED lighting. ES: Espejo sobre trasera blanco mate y difusor opal visible. Iluminación LED perimetral mural. Measurements | Dimensiones: Ø50-180

## STRATO ROUNDSTRIPE

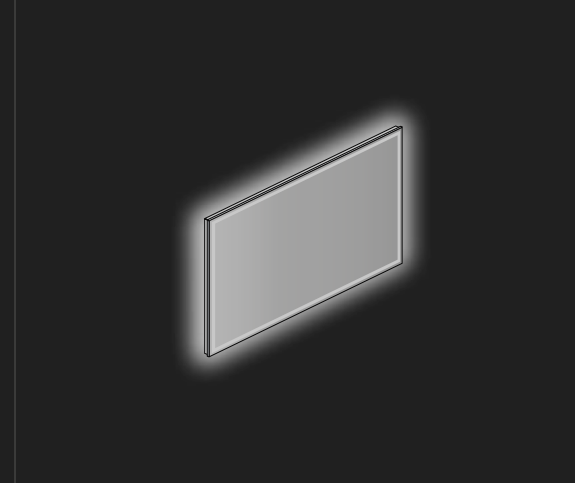

STRATO ROUNDSTRIPE — EN: Mirror with perimeter LED stripe. Perimeter wall and frontal LED lighting. ES: Espejo sobre trasera blanco mate y difusor opal visible. Iluminación LED perimetral mural. Measurements | Dimensiones: Ø50-180

## STRATO OVAL

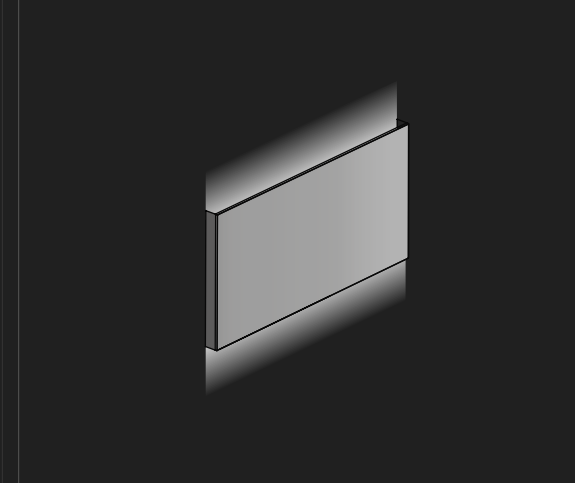

STRATO OVAL — EN: Oval mirror. Led lighting can be added. Horizontal or Vertical positioning. ES: Espejo sobre trasera blanco mate y difusor opal visible. Iluminación LED perimetral mural. Posición vertical u horizontal. Measurements | Dimensiones: L60 W3 H80-180

## STRATO16C

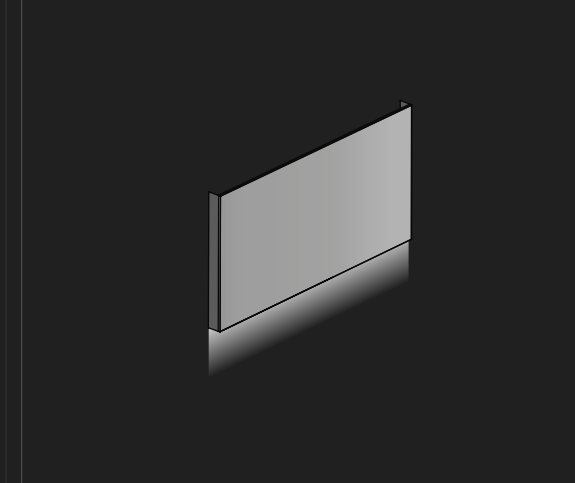

STRATO 16C — EN: Mirror with perimeter LED stripe and aluminum structure. ES: Espejo con franja arenada perimetral sobre estructura de aluminio y difusor opal visible de fondo extra reducido. Measurements | Dimensiones: L60-300 W2 H60-122

## STRATO4A

STRATO 4A — EN: Mirror with side frames in inox steel. Wall upper and nether LED lighting. ES: Espejo sobre estructura con laterales en acero inoxidable pulido. Iluminación LED superior e inferior mural. Measurements | Dimensiones: L60-300 W3 H60-100

## STRATO3A

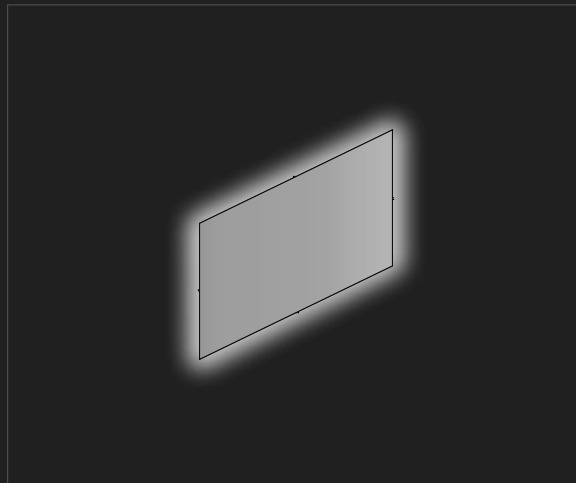

STRATO 3A — EN: Mirror with side frames in inox steel. Wall upper and nether LED lighting. ES: Espejo sobre estructura con laterales en acero inoxidable pulido. Iluminación LED inferior mural. Measurements | Dimensiones: L60-300 W3 H60-100

## STRATO OVALSTRIPE

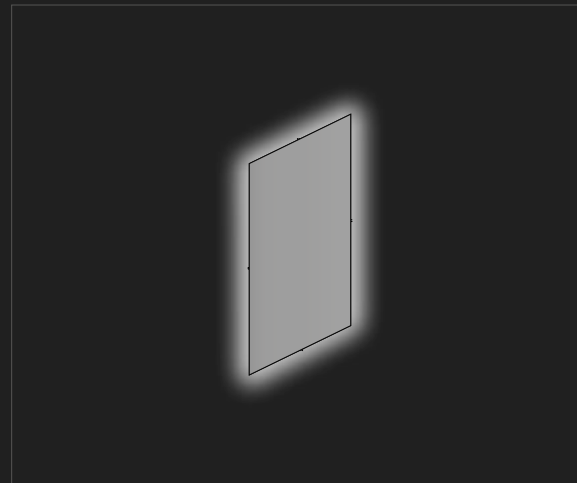

STRATO OVALSTRIPE — EN: Mirror with perimeter LED stripe and visible opal diffuser. Perimeter wall and frontal LED lighting. ES: Espejo con franja arenada perimetral sobre trasera blanco mate y difusor opal visible. Iluminación LED perimetral frontal y mural. Measurements | Dimensiones: L60 W3 H80-180

## STRATO 16A

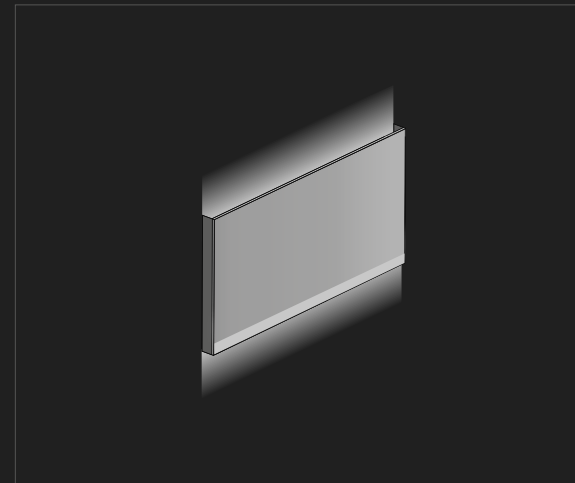

STRATO16A — EN: Mirror with aluminum structure and extra-small back frame, visible opal diffuser. Perimeter wall LED lighting. ES: Espejo sobre estructura de aluminio y difusor opal visible de fondo extra reducido. Iluminación LED perimetral mural. Measures: Dimensiones: L60-300 W2 H60-122

## STRATO 7J

STRATO 7J — EN: Mirror with aluminum structure and extra-small back frame, visible opal diffuser. Perimeter wall LED lighting. ES: Espejo sobre estructura de aluminio y difusor opal visible de fondo extra reducido. Iluminación LED perimetral mural. Measurements | Dimensiones: L50-60 W2 H50-210

## STRATO5F

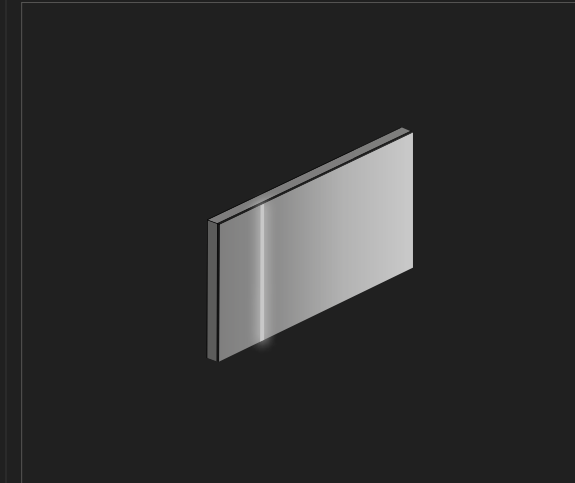

STRATO 5F — EN: Mirror with side frames in inox steel. LED stripe placed at the lower end. Wall upper, wall and frontal nether LED lighting. ES: Espejo con laterales en acero inoxidable pulido. Franja arenada al extremo inferior. Iluminación LED superior mural; inferior frontal y mural. Measurements | Dimensiones: L60-300 W2 H60-122

## STRATO15A

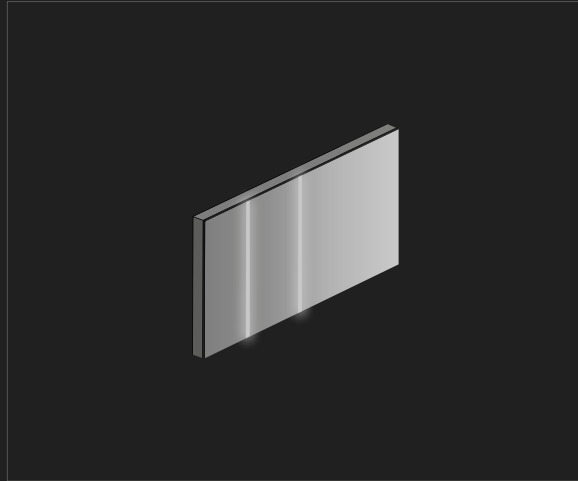

STRATO 15A — EN: Mirror with side frames in inox steel. Horizontal LED stripe. Wall nether LED lighting. ES: Espejo sobre estructura con laterales en acero inoxidable pulido. Franja arenada horizontal. Iluminación LED inferior mural. Measurements | Dimensiones: L60-300 W2 H60-122

## STRATO13A

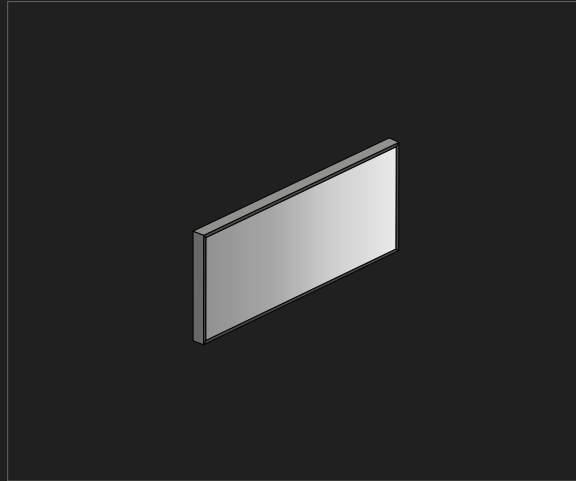

STRATO13A — EN: Mirror with side frames in inox steel. Vertical LED stripe. Frontal LED lighting. ES: Espejo sobre estructura con laterales en acero inoxidable pulido. Franja arenada vertical. Iluminación LED frontal. Measurements | Dimensiones: L60-300 W2 H80-125

## STRATO 13B

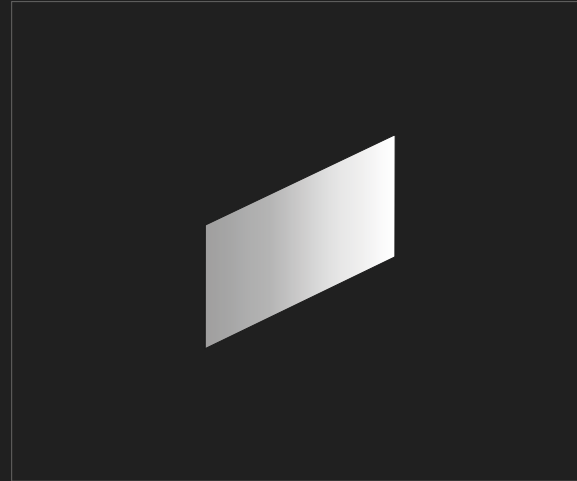

STRATO 13B — EN: Mirror with side frames in inox steel. Two horizontal LED stripes. Frontal LED lighting. ES: Espejo sobre estructura con laterales en acero inoxidable pulido. Franja arenada horizontal. Iluminación LED inferior mural. Measurements | Dimensiones: L120-300 W3 H80-125

## STRATO FRAME I2

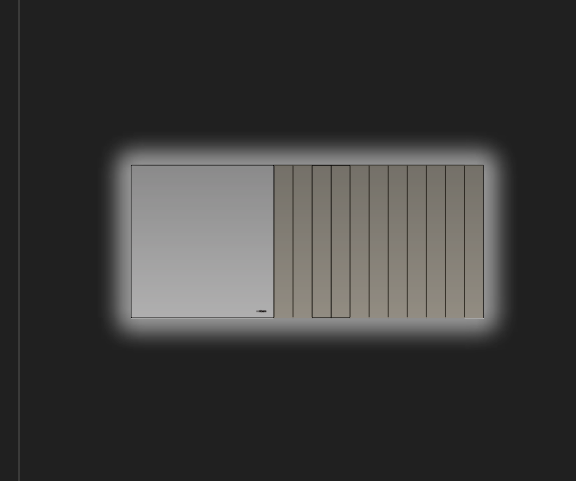

STRATO FRAME I2 — EN: Mirror with mitered frame. Frame of 2x7cm. ES: Espejo con marco en inglete de 2x7cm. Measurements | Dimensiones: L40-300 W7 H60-80

## STRATO SIMPLE C

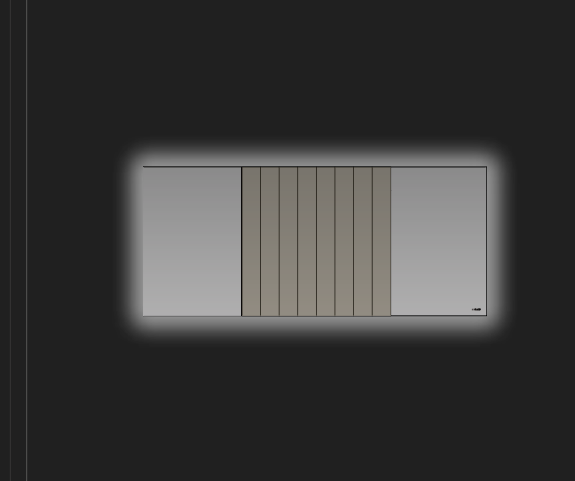

STRATO SIMPLE C — EN: 0.5 cm Mirror with polished edges without frame. ES: Espejo luna de 0,5 cm con cantos pulidos sin marco. Measurements | Dimensiones: L40-300 W2 H60-80

## DECO21

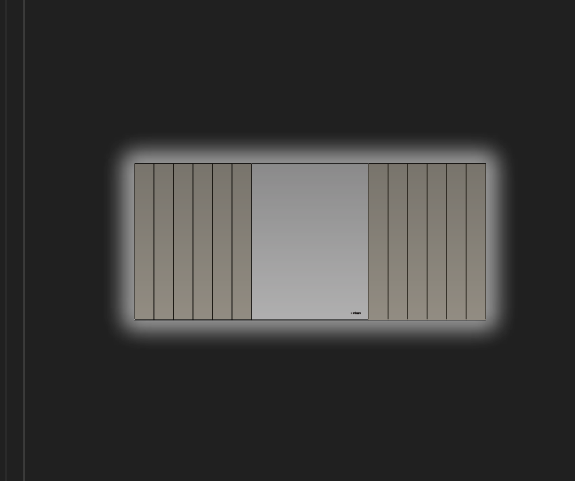

DECO 21 — EN: Mirror formed by different mirror sections. With aluminum structure and opal diffuser, perimeter wall LED lighting. ES: Espejo compuesto por tramos de luna espejo. Sobre estructura de aluminio y difusor opal. Iluminación LED perimetral mural. Measurements | Dimensiones: L60-300 W2 H80-100

## DECO22

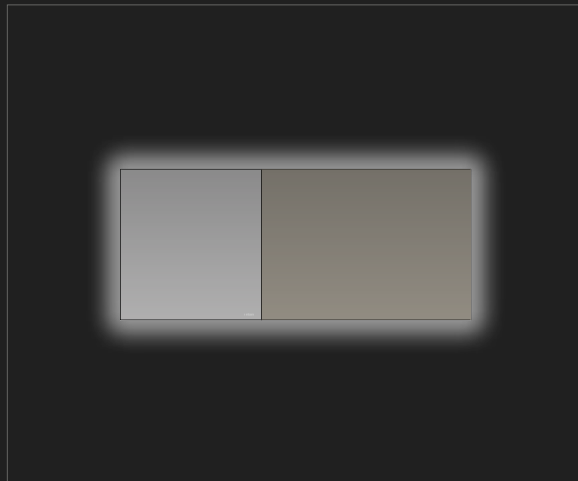

DECO 22 — EN: Mirror formed by different mirror sections. With aluminum structure and opal diffuser, perimeter wall LED lighting. ES: Espejo compuesto por tramos de luna espejo. Sobre estructura de aluminio y difusor opal. Iluminación LED perimetral mural. Measurements | Dimensiones: L60-300 W2 H80-100

## DECO23

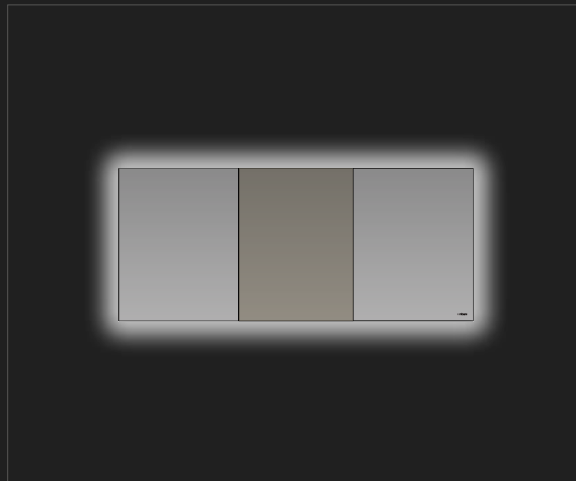

DECO 23 — EN: Mirror formed by different mirror sections. With aluminum structure and opal diffuser, perimeter wall LED lighting. ES: Espejo compuesto por tramos de luna espejo. Sobre estructura de aluminio y difusor opal. Iluminación LED perimetral mural. Measurements | Dimensiones: L60-300 W2 H80-100

## DECO11

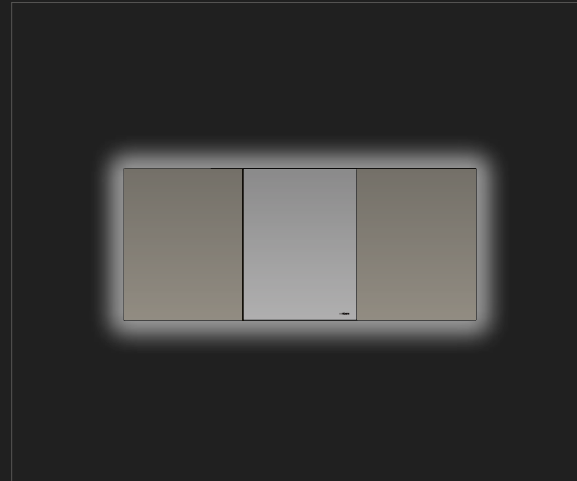

DECO11 — EN: Mirror formed by different mirror sections. With aluminum structure and opal diffuser, perimeter wall LED lighting. ES: Espejo compuesto por diferentes tramos de luna espejo. Estructura de aluminio y difusor opal. Iluminación LED perimetral mural. Measurements | Dimensiones: L60-300 W2 H80-100

## DECO12

DECO12 — EN: Mirror formed by different mirror sections. With aluminum structure and opal diffuser, perimeter wall LED lighting. ES: Espejo compuesto por tramos de luna espejo. Estructura de aluminio y difusor opal. Iluminación LED perimetral mural. Measurements | Dimensiones: L100-300 W2 H80-100

## DECO13

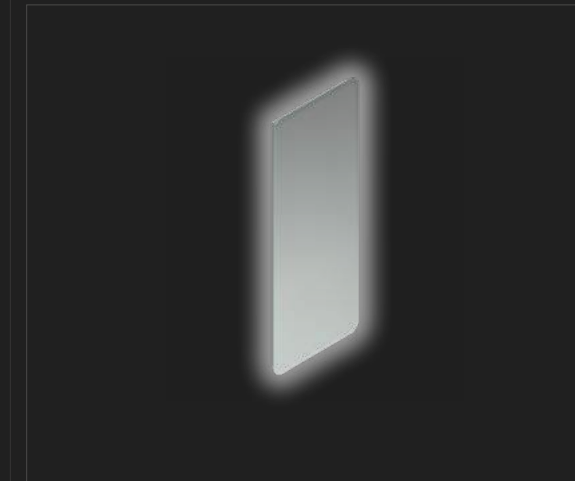

DECO13 — EN: Mirror formed by different mirror sections. With aluminum structure and opal diffuser, perimeter wall LED lighting. ES: Espejo compuesto por tramos de luna espejo. Sobre estructura de aluminio y difusor opal. Iluminación LED perimetral mural. Measurements | Dimensiones: L60-300 W2 H80-100

## ORIGIN HORIZONTAL

ORIGIN HORIZONTAL — EN: Beveled mirror with Led Lighting. ES: Espejo con bisel e iluminación LED. Measurements | Dimensiones: L78-218 W2 H85-150

## ORIGIN VERTICAL

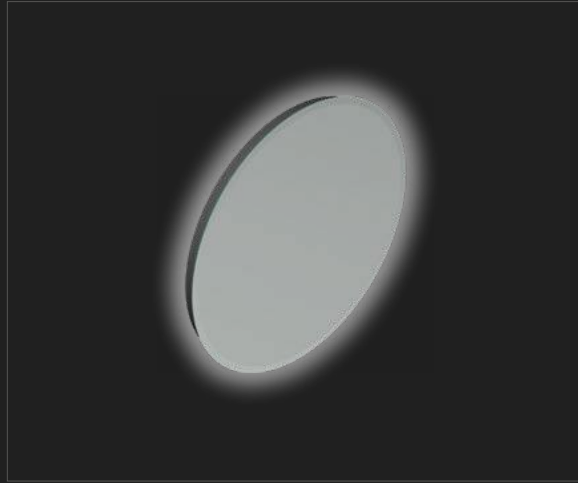

ORIGIN VERTICAL — EN: Beveled mirror with LED Lighting. ES: Espejo con bisel e iluminación LED. Measurements | Dimensiones: L50-60 W2 H85-190

## ORIGIN SEMICIRCLE

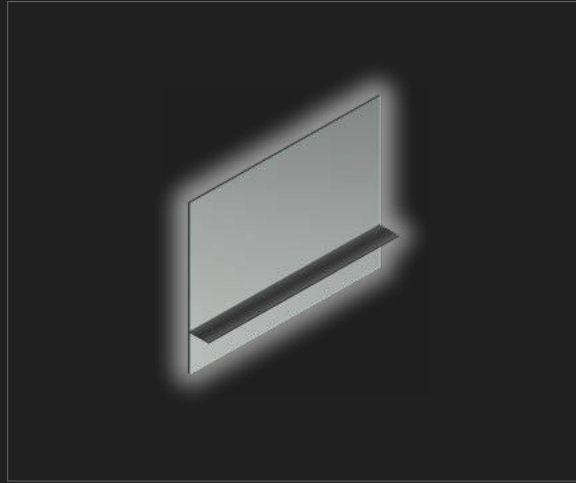

ORIGIN SEMICIRCLE — EN: Beveled mirror with LED Lighting. ES: Espejo con bisel e iluminación LED. Measurements | Dimensiones: Ø120-140 H104-123,5

## ORIGIN CIRCLE

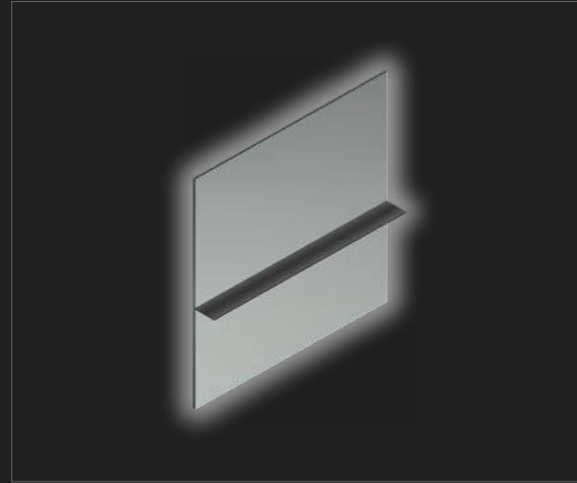

ORIGIN CIRCLE — EN: Beveled mirror with LED Lighting. ES: Espejo con bisel e iluminación LED. Measurements | Dimensiones: Ø80-180

## GRATE H80

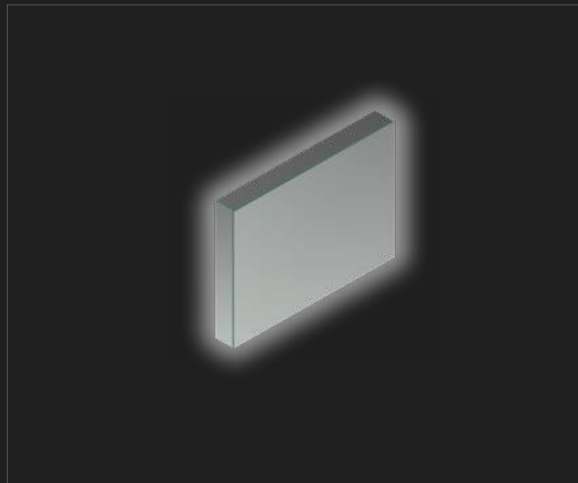

GRATE H80 — EN: Framed mirror with aluminum shelf in brushed Graphite. Perimeter wall LED lighting. ES: Espejo con marco y estante en aluminio acabado Grafito Cepillado. Iluminación LED perimetral. Measurements | Dimensiones: L50-200 W2,5 H80

## GRATE H107

GRATE H107 — EN: Framed mirror with aluminum shelf in brushed Graphite. Perimeter wall LED lighting. ES: Espejo con marco y estante en aluminio acabado Grafito Cepillado. Iluminación LED mural perimetral. Measurements | Dimensiones: L50-200 W2,5 H107

## PARAL LED

PARAL LED — EN: Paral single mirror unit with perimeter LED lighting. ES: Espejo independiente Paral con iluminación LED perimetral. Measurements | Dimensiones: L40-240 W10,5 H60

## FORMA HORIZONTAL

FORMA HORIZONTAL — EN: Beveled mirror with Led Lighting. ES: Espejo con bisel e iluminación LED. Measurements | Dimensiones: L80-140 W3 H80

## FORMA VERTICAL

FORMA VERTICAL — EN: Beveled mirror with Led Lighting. ES: Espejo con bisel e iluminación LED. Measurements | Dimensiones: L70-100 W3 H110
