UNI EN 1634-2:2009 | UNI EN 1906:2012

MISSION & VISION

- ✦ Creating a business in the third millennium. Motivating staff by recognizing that human resources are essential to company development. Achieving manufacturing excellence at every stage of production so that products may be guaranteed. Continually updating machinery.
- ✦ Producing "**Green Made**" items with a high design for the modern habitat, unique products that can easily adapt and are accessible to anyone looking for functionality and durability .
- ✦ Understanding the customer's needs, with all the differences between cultures, generations, and to propose ethic in production, technical expertises, and aesthetic harmony.

KEY FEATURES

- ✦ Colombo Design is a design-oriented, family company established in 1990. A **protagonist in the panorama of international design**, with products designed in partnership with prestigious designers such as Carlo Bartoli, Alberto Meda, Michele De Lucchi, Jean Marie Massaud, Jasper Morrison and Studio Jean-Philippe Nuel. Colombo Design looks to the future and to new technologies representing the excellence of Made in Italy: a mix between family values and international scope.
- ✦ **Creativity, know-how, attention to detail, manufacturing excellence and local production** are the distinctive features of the company, whose products' quality is appreciated worldwide.
- ✦ The selection of the **best materials** and the **continuous investment in process innovation** guarantee unique and top performance products, with a warranty up to 30 years.

6 GOOD REASONS

EXCLUSIVE FINISHES

- ⚡ The wide catalogues include bathroom accessories and handles in **more than 15 finishes** such as chrome, matt chrome, antique brass, bronze, antique bronze, gold, matt gold, nickel, matt nickel, matt white and matt black.
- ⚡ Colombo Design finishes, flagship of the company's production, are the result of **rigorous research and constant quality control**.
- ⚡ In addition to the traditional galvanic department, the company also has an exclusive **High Protection System** and uses the **PVD process (Physical Vapor Deposition)**, whose protective features against atmospheric agents guarantee brightness and resistance to corrosion over time.
- ⚡ 8 are the **exclusive PVD finishes** available:
 - Graphite - Matt Graphite
 - Vintage - Matt Vintage
 - Oroplus - Matt Gold
 - Zirconium Gold
 - Zirconium Stainless Steel

QUALITY & GREEN MADE POLICY

- Colombo Design is especially mindful of the customer and to the ethics of production: a company that boasts the **most prestigious international certifications** and that guarantees up to 30 years the finish of its products.
- Colombo Design gives great attention to the environment protection by adopting a **Green Made approach**. Each company decision and production step is carefully checked to reduce the environmental impact and to fulfill the **eco-compatibility objectives**. The company is **UNI EN ISO 14001:2015** certified.

HANDLES

⚡ Colombo Design produces **handles for doors and windows** of high standard design distributed worldwide.

⚡ The handles collection also includes:

- Door knobs
- Pulls
- Flush handles
- Complements: escutcheons, roses, door stoppers and privacy sets

All available in different finishes for the habitat of any style.

BATHROOM ACCESSORIES

- ✦ Colombo Design bathroom accessories are the ideal enrichment to decorate the bathrooms of all styles.
- ✦ The elegance of the collections, designed in partnership with the most important international designers, is accompanied by excellent technical skills, that only the best materials and the most innovative processes can ensure.
- ✦ Colombo Design bathroom accessories are available both hanging and free standing.

ANTOLOGHIA®

- ⚡ Antologhia® is the collection of old-fashioned handles.
- ⚡ Antologhia® handles are the result of a selective search among the models of the past and of a very careful design review. They are more than just a return to the past, they are fascinating machines of the time.
- ⚡ Embellished with vintage elements, these handles are perfect for different living solutions, from the classic Tuscan farmhouse to the Victorian-style dwelling, from the country-chic apartment to the historic buildings.

FORMAE®

- ⚡ Formae® is the collection of **handles and knobs for furniture**, small *gems* designed by great designers to embellish the furniture.
- ⚡ Although furniture handles and knobs are considered an accessory, these details enhance the bathroom, bedroom, studio furniture and kitchen drawers, adding style and contributing to their functionality.

SIGNS

- ⚡ Signs is a sign system that uses customizable plexiglass and steel plates.
- ⚡ As for the production of handles and bathroom accessories, Colombo Design guarantees its signage program with all its competence in production and design.

CESANA SHOWER ENCLOSURES

- ⚡ Colombo Design distributed its first collection of shower enclosures in partnership with Cesana s.r.l. in 2014 and it proceeded tightening the collaboration by acquiring a good part of the Cesana's company legal property in 2018.
- ⚡ The development path continues with the integration of the actual production of shower enclosures in the production unit space of Colombo Design in Terno d'Isola (Bg).
- ⚡ More info on shower enclosures models on www.cesana.it
